

JAYNE'S CARMINATIVE BALSAM

IS a certain, safe, and effectual remedy for Dysentery, Diarrhea, or Looseness, Cholera Morbus, SUMMER COMPLAINT, Cholera, Griping Pains, Sour Stomach, Sick and Nervous Headache, Heartburn, Waterbrash, Pain or Sickness of the Stomach, Vomiting, Spitting up of Food after Eating, and also where it passes through the body unchanged, Want of Appetite, Restlessness and Inability to Sleep, Wind in the Stomach and Bowels, Hysterics, Cramp, Nervous Tremors and Twitchings, Sea Sickness, Paintings, Melancholy and Lowness of Spirits, fretting and crying of Infants, and for all BOWEL AFFECTIONS and NERVOUS DISEASES.

This is one of the most efficient, pleasant, and safe compositions ever offered to the public for the cure of the various derangements of the stomach and bowels, and the only article worthy of the least confidence for curing CHOLERA INFANTUM or SUMMER COMPLAINT; and in all the above diseases it really acts like a charm.

All persons are requested to try it, for without exception, it is one of the most valuable family medicines ever yet discovered. Hundreds, nay, thousands of certificates have been received from Physicians, Clergymen, and families of the first respectability, bearing the strongest testimony in its favor, too numerous to publish.

New York, May 20, 1837.

Dr. D. Jayne—Dear Sir—Having made use of your Carminative Balsam in my family, and finding it to be admirably adapted to the complaints for which it is intended, I take pleasure in recommending it to the use of my friends and the public generally, believing that those who are afflicted with any of these complaints will find relief in the use of this valuable medicine.

JONA. GOING, D.D.,
President of Granville College, Ohio.

Woodstown, Salem co., N.J., May, 1837.

From a long acquaintance with Dr. Jayne's Carminative Balsam, I believe it to be a very happy combination, and a useful medicine in many complaints which almost constantly occur in our country, such as Bowel Affections of children, Cholera, Cramps, Looseness, Dyspeptic Disorders of the Stomach, Coughs, and Affections of the Breast, together with all those diseases attended with sourness of the Stomach; and believe that physicians will often find it a useful remedy in their hands, and one that is proper for domestic use, and can be put into the hands of persons at large with perfect safety.

WM. BACON, M.D.

Baltimore, March 27, 1833.

Dr. Jayne—Dear Sir—You ask me what proofs I meet with of the efficacy of your Carminative. I can safely say that I never prescribed a medicine for Bowel Complaints that has given me so much satisfaction, and my patients so speedy and perfect relief as this. Whenever introduced into a family, it becomes a standing remedy for those ailments, and is called for again and again, which I think a pretty good proof of its efficacy and usefulness. In the Summer Complaint of children it has frequently appeared to snatch the little victims, as it were, from the grave. "It saved the life of my child, and of such a child," I have repeatedly heard said. In dysenteric affections of adults, I have time and again seen it act like a charm, and give permanent relief in a few hours, I may say in a few minutes. In fine, it is a valuable medicine, and no family should be without it. Respectfully,

M. L. KNAPP, M.D.,

Late Physician to the Baltimore Dispensary, and Agent for the Maryland Vaccine Institution.

BRIDGEPORT, N.J., July 19, 1836.

This may certify that I have used Doctor Jayne's Carminative Balsam very extensively in Bowel Complaints, and have not the least hesitation in declaring it superior to any preparation that I have met with, for the relief of those diseases.

WILLIAM STEELING, M.D.,

Physician to the Cumberland N. J. Almshouse.

WORMS! WORMS!! WORMS!!!

Of all diseases to which children are exposed, none are so fatal to them as worms. Unfortunately, children are seldom free from them, and as they imitate the symptoms of almost every other complaint, they often produce alarming effects without being suspected. Worms are not only a cause of disease themselves, but by their irritation aggravate all other diseases, wandering from one part of the body to another, winding themselves into large balls, and obstructing the bowels, and frequently the throat, causing convulsions, and too often death. The best remedy ever yet known is

DR. JAYNE'S TONIC VERMIFUGE,

which is perfectly safe, and so pleasant that children will not refuse to take it. It effectually destroys WORMS; neutralizes acidity or sourness of the stomach, increases appetite, and acts as a general and permanent Tonic, and is, therefore, exceedingly beneficial in Intermittent and Remittent Fevers, Indigestion, &c., and is a certain and permanent cure for FEVER and AGUE.

It not only destroys Worms, and invigorates the whole system, but it dissolves and carries off the superabundant slime or mucus so prevalent in the stomach and bowels of children, more especially of those in bad health. This mucus forms the bed or nest in which worms produce their young; and by removing it—it is impossible for worms to remain in the body.

It is harmless in its effects on the system, and the health of the patient is always improved by its use, even when no Worms are discovered. Numerous certificates of its usefulness have been received, which the proprietor does not consider necessary to publish; yet to give the reader an idea of its vermifuge powers, he will mention a few cases. He gave it to his little nephew, not four years old, and in a few days he discharged upwards of ninety large worms. He also gave it to his daughter, then about three years old, when it brought away thirty worms in one night.

Joshua Thompson, near Salem, N. J., administered this Vermifuge to a child between two and three years old, and says that in a few days she discharged one hundred and twenty-seven large Worms.

Mr. Joseph A. Lents, of the Penn Township Savings Institution, in this city, gave it to one of his children, and says that after the sixth dose it brought away about fifty Worms at once, five and six inches long.

Mr. Ferdinand Woodruff used two bottles of this Vermifuge for DYSPESIA, and in the course of two weeks discharged upwards of thirty pieces of TAPE WORM, and was thereby perfectly cured.

Another gentleman of this city had it administered to his little daughter, about three years old, when she had a number of discharges from her bowels, composed entirely of little white thread worms. He says, "they came away from her, not only by hundreds, but I may truly say, by thousands, separately and in solid balls as large as hickory nuts, composed entirely of dead worms."

DYOTT'S ANTI-BILIOUS PILLS

As a family medicine, a mild, gentle purgative, and purifier of the blood—the general use of these celebrated Pills throughout the United States for forty years past, and the strong recommendations they have acquired from all classes of our fellow citizens, places them in a much more elevated situation in public estimation, than any other remedy which has heretofore been introduced.

The following are among the many diseases for which Dr. Dyott's celebrated pills are so deservedly distinguished for curing. By their counteracting properties in removing the bile from the stomach, they prevent and cure the bilious fever, chills or ague and fever; spring and fall fevers; yellow fever; bilious cholera pleurisy; dysentery; worms; bilious vomiting; sick and full stomach.

By cleansing the bowels and stomach from all impurities, they restore the appetite; remove flatulency; cure the headache; habitual constiveness; colds; coughs; asthma; epileptic fits; hypochondria; hysterical complaint; stranguary; gravel, &c.

By a general and copious use, they will be found very beneficial in curing the rheumatism and gout, lumbago or pains in the back. All impurities in the blood yield to their happy effects, whether proceeding from constitutional ailment, or from indiscreet intemperance.

These celebrated pills have been used to very great advantage in curing the dyspepsia, or indigestion, bronchitis, liver complaint, &c.

They are an infallible medicine for Female Complaints generally, and especially for removing those obstructions which are the source of their ailments at certain periods, they possess the eminent advantage over most other purgatives, that while they operate gently, they produce neither costiveness, debility, nor too great excitement.

Whenever there is a predisposition to receive disease from marsh effluvia, or from a too copious use of ardent spirits, or from a vitiated state of the bile, these pills will assuredly counteract it.

They are highly recommended to travellers by sea or land, and may be made use of without change of diet, and in situations where no exercise can be used. They will be found particularly valuable for preventing diseases incidental to hot climates, they cleanse and remove all humors, open obstructions, and produce the most salutary good bile, operate as an easy cathartic, as a powerful diuretic, and as a diaphoretic.

Dr. Dyott, under the strong conviction of the power of his pills to relieve the afflicted, recommends the use of them to those who are in health as well as the afflicted, at least once a fortnight, during the Spring and Summer months, in which he feels assured those who attend to his advice will find the benefit they seek.

A bill of directions accompanies each box of Pills. Take notice—each box is sealed with red wax, stamped with the Proprietor's coat of arms, and signed

T. W. DYOTT, M.D.

and T. W. DYOTT, Jr.

SIDDALL'S INDIAN VERMIFUGE.

THIS valuable medicine is offered to the public with the confident assurance of its superior efficacy as a remedy for worms. It not only expels the worms, but prevents the return of them, by removing the weak state of the digestive organs on which their production mainly depends. It also removes the superabundant mucus or slime existing in the stomach of children in bad health, and which forms the bed or nest in which the worms produce their young. In doubtful cases, where there is a general derangement of system from want of due action in the liver and a debilitated or torpid condition of stomach and bowels, the INDIAN VERMIFUGE gives speedy relief by cleansing the stomach and bowels and stimulating the liver to healthy action—the appetite is speedily restored, and the pale and sunken countenance gives place to the plumpness of face, and the ruddy hue of health.

The following general agencies are established in Philadelphia, where the medicine may be had Wholesale and Retail.

Dyott's Fountain Head, Second above Race street, and Vaughan, Third and Race street. Price 25 cents.

WHITWELL'S JAUNDICE TEMPERANCE BITTERS.

OR PEOPLE'S BEST REMEDY—For the cure of Jaundice, Fever and Ague, Debility, Worms, &c.

EVIDENCE OF THE GOOD QUALITIES OF THIS COMPOUND.—Dr. Hooper, in his Medical Dictionary, in allusion to a prominent ingredient in these Bitters, says—"It has been found very effectual in restoring digestion, expelling flatulence, and removing costiveness, so common in sedentary life."

Dr. Lettsen, the most scientific physician in Europe, says, on the same page, "In hysterical affections, it affords more vigor and relief than any other article before known."

Dr. Bigelow, in his sequel to the U. S. Pharmacopoeia, says, page 331, in allusion to the same article, "It is one of the most valuable of the Bitter Tonics. It has an invigorating effect on the stomach and bowels, and is peculiarly serviceable in dyspepsia."

These Bitters contain a large proportion of the Extracts of Sarsaparilla and Tomatoes, as any bitters in the United States, and rank immeasurably above all others in existence for creating an appetite, reviving the spirits, and strengthening the whole system.

HOMOEOPATHIC PILLS, or a Medicine in the minutest doses, with the most beneficial results.—They are used for the same complaints as the Temperance Bitters, and should always be used together, the pills being a gentle cathartic, and the Bitters the best tonic, or strengthener, in existence. DR. TAYLOR'S BALM OF LIVERWORT, prepared at 375 Bowery, New York, is justly celebrated as the most wonderful curative of pulmonary diseases in the whole range of pharmacy, some of our most respectable physicians use it in their practice, prescribing it as the best of all remedies for pulmonary complaints and physical debility, and they unhesitatingly recommend it to be kept in every family of a consumptive tendency. It is universally received as one of the standard medicines of the day. The great merit of Dr. Taylor's Balm is, that in all cases of pulmonary complaints it gives immediate relief. A single bottle will, in most cases, reveal its astonishing virtues, and open at once the fountain of health and strength to the afflicted. Read the following certificate:

"Being constitutionally predisposed to Consumption, (a number of my family having died with this disease) and having suffered from irritation of the Lungs, accompanied with cough and raising matter and blood, together with severe pain in my side and breast, till I was supposed to be beyond recovery, I was induced by advice of Dr. Perkins, as a last resort, to try 'Taylor's Balm of Liverwort.' I have taken five bottles in all. I began to improve with the first bottle, and while taking the third, was so far recovered as to be able to get about. Since which time, by continued use of it, I am quite restored, and able to attend to my usual business. To persons suffering from coughs and affections of the Lungs, I do earnestly recommend it.

(Signed) "JAS. C. SCOTT,"

ELIZABETH CITY, N. C., Dec. 16, 1842.
